REQUEST TO DECLARE PERSONAL PROPERTY SURPLUS

AND AUTHORIZATION TO SELL

ACTION

BACKGROUND:

Pursuant to Education Code EC 17545, Article 14 Sale of Personal Property, The governing board of any school district may sell for cash any personal property belonging to the district if the property is not required for school purposes, or if it should be disposed of for the purpose of replacement, or if it is unsatisfactory or not suitable for school use. Public notice shall be posted in at least three public places in the district for not less than two weeks, or by publication for at least once a week for two weeks in a newspaper in the district and having general circulation. Please see attached list.

DISCUSSION/ALTERNATIVE/CONCERNS:

If the board, by a unanimous vote to those members present, finds that the property is of insufficient value to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the board, or it may be disposed of on order of any employee of the district empowered for that purpose by the board. (Ed Code 17546)

FINANCIAL IMPLICATIONS:

After sale of the personal property as surplus the funds will be placed back into the general fund as revenue.

ACTION REQUESTED:

The Superintendent recommends the Board to declare the personal property listed on the attached list as Surplus and authorize administration to dispose of as appropriate.

PRACTI-CAL MOU

ACTION

BACKGROUND:

Participants in the LEA Medi-Cal Billing Option (LBO) Program are required to annually certify, through the CRCS process, that the public funds expended to provide LBO Program services are eligible for federal financial participation. Therefore, continued enrollment in the LBO Program is contingent upon timely submission of the CRCS each fiscal year. Failure to meet this requirement may result in removal from the LBO Program. The attached MOU from Practi-Cal would allow them to complete a report called the CRCS (Cost Reimbursement and Comparison Schedule) Report.

DISCUSSION/ALTERNATIVE/CONCERNS:

This report is complex and takes significant staff hours to complete and has been determined that it would be cost effective to use Practi-Cal to complete this required report.

FINANCIAL IMPLICATIONS:

Hourly Rate \$95, Estimated Hours 6 - 10 (ie: at 10 hours cost would be \$950). We are allowed to use Special Ed money to pay for this expense.

ACTION REQUIRED:

The Superintendent requests the Board approve the MOU with Practi-Cal as presented.

PRERETIREMENT PART-TIME EMPLOYMENT

When the Board of Trustees Governing Board has adopted the reduced workload program, any certificated employee may reduce his/her workload from full time to part time in accordance with applicable law, district regulations, and collective bargaining agreement.

Any such certificated employee who is a member of the defined benefit program of the California State Teachers' Retirement System (STRS) may continue to receive the service credits and maintain the retirement and health and welfare benefits that he/she would have received if employed on a full-time basis, provided the following conditions exist: (Education Code 22713, 44922)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

- 1. The option to reduce the employee's workload shall be exercised at the request of the employee and the agreement to reduce the workload shall be in effect at the beginning of the school year.
- 2. Prior to the reduction in workload, the employee shall have a minimum of 10 years of credited service, of which the immediately preceding five years shall be full-time employment.
- 3. The employee shall not have had a break in service during the five years immediately preceding the reduction in workload. Sabbaticals, other approved leaves of absence, and unpaid absences from full-time employment for personal reasons shall not constitute a break in service. However, any period of time during which an employee is retired shall constitute a break in service and the employee shall be required to be employed to perform creditable service on a full-time basis for at least five school years preceding the workload reduction if he/she reinstates from retirement.

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

- 4. The employee shall have reached the age of 55 years prior to the workload reduction.
- 5. The employee shall not hold a position with a salary above that of a school principal.
- 6. The reduced workload shall be equal to at least one-half of the time the district requires for full-time employment, in accordance with Education Code 22138.5, pursuant to the employee's contract of employment during his/her last year of full-time employment preceding the reduction in workload.

PRERETIREMENT PART-TIME EMPLOYMENT (continued)

- 7. The employee shall be paid compensation that is the pro rata share of the creditable compensation he/she would have earned had he/she not reduced his/her workload.
- 8. For each school year that the employee's workload is reduced, the district and/or employee shall make any payment or contribution necessary for the employee's retention of a benefit to which he/she is entitled if employed full time, in the same manner as if the employee were employed full time.
- 9. The agreement may be revoked only by mutual consent of the employee and the district.

However, an employee who has entered into a formalized agreement with the district to have his/her contribution into the defined benefit program paid (picked up) by the district may not terminate the agreement to reduce his/her workload except by one of the following:

- a. Terminating his/her service
- b. Retiring from service under the defined benefit program
- c. Continuing to perform creditable service under a new reduced workload arrangement for at least one-half of the time the district requires for full-time employment in accordance with Education Code 22138.5
- d. Returning to full-time employment
- 10. The period of the reduced workload shall not exceed 10 years.

Prior to the reduction of an employee's workload, the Superintendent or designee shall verify the employee's eligibility in conjunction with the administrative staff of STRS and/or the Public Employees' Retirement System. (Education Code 22713)

The Superintendent or designee shall maintain the necessary records to separately identify each employee who participates in the reduced workload program. (Education Code 22713)
