

Central Union High School District Seeks Applicants for Measure K Citizens' Oversight Committee

The Central Union High School District (CUHSD) is seeking 7 qualified volunteers to serve on the Measure K Citizens' Oversight Committee. Measure K, which was passed by voters in June 2016, is a \$30 million school facilities improvement measure.

California state law requires that a Citizens' Oversight Committee be appointed by the Board of Education to monitor bond expenditures and ensure bond revenues are allocated in compliance with the voter approved measure. The committee provides transparency and maintains public confidence in the use of Measure K bond funds.

Applicants must commit to a two-year term of service and reside or own property within the Central Union High School District boundaries. Membership is voluntary, without compensation, and members must be 18 years of age. Employees, vendors, contractors, consultants, or CUHSD officials are not eligible for appointment to the Committee.

The Committee will meet quarterly, with possible meetings being conducted during the lunch hour, in the evenings, after work hours, and open to the public. Dates and times to be determined.

Applications will be accepted from August 22 through September 26 and are available online at <http://www.cuhsd.net/Departments/Business-Services/index.html> or at the front desk of the Central Union High School District Office, located at 351 Ross Avenue, El Centro, CA 92243. Completed applications must be received no later than 4 p.m. on Monday, September 26, 2016. Committee appointments are expected to be approved by CUHSD's Board of Education at the October 11, 2016 Board Meeting.
